Complementary feeding stuff for horses. Ost-O-Flex provides essential nutrients that are vital to help limit wear and tear and to maintain healthy joint action in the racing, performance or older horse. It is a highly digestible liquid formula that is both palatable and easy to feed.

Directions for use:

Feeding Directions (for 5L packs only)	To be mixed daily with feed;
	For horses up to 600 kg = 30 ml
	For horses over 600 kg = 45 ml
	For smaller horses and ponies (<300 kg) = 15 ml
	Shake well before use. Each pump dispenses approx. 30ml.
Feeding Directions (for other pack sizes)	To be mixed daily with feed;
	For horses up to 600 kg = 30 ml
	For horses over 600 kg = 45 ml
	For smaller horses and ponies (<300 kg) = 15 ml
	Shake well before use.

Precautions:

For equine use only. Store in a cool place. Keep from freezing. Keep out of reach of children. Replace cap immediately after use. Safe for use in competition horses
